## Liquidators' six monthly statutory report for the period 12 May 2022 to 11 November 2022

### Appointment

- Pursuant to an application under section 246 of the Companies Act 1993 (**Companies Act**) by CBL Insurance Limited's (**CBLI** or the **Company**) prudential supervisor, the Reserve Bank of New Zealand (**RBNZ**), the Company was placed into interim liquidation by an Order of the High Court dated 23 February 2018, pending the determination of the RBNZ's liquidation application. Kare Johnstone and Andrew Grenfell were appointed joint and several interim liquidators.
- Following a number of adjournments, the RBNZ's application to appoint liquidators to CBLI was heard in the Auckland High Court on 12 November 2018, which resulted in an Order by the High Court placing the Company into liquidation and the appointment of Kare Johnstone and Andrew Grenfell (**Liquidators**) as joint and several liquidators.
- A copy of the High Court Order dated 12 November 2018 and the Judgment of Justice Courtney were attached as Appendix 1 to our first report dated 17 December 2018 (**Liquidators' First Report**). A copy of the Liquidators' First Report, together with all statutory reports, is available at [www.mcgrathnicol.com/creditors/cbl-insurance-limited](http://www.mcgrathnicol.com/creditors/cbl-insurance-limited).
- Kare Johnstone (registration number IP29) and Andrew Grenfell (registration number IP24) are Licensed Insolvency Practitioners pursuant to the Insolvency Practitioners Regulation Act 2019. Further information on the regulation of insolvency practitioners can be obtained from the Registrar of Companies.
- As members of the Restructuring Insolvency & Turnaround Association of New Zealand (**RITANZ**), the Liquidators are bound by the Code of Professional Conduct, a copy of which can be located on RITANZ's website ([www.ritanz.org.nz](http://www.ritanz.org.nz)).

## Liquidators' six monthly statutory report for the period 12 May 2022 to 11 November 2022

### Conduct of the liquidation during the Reporting Period

- The Liquidators have continued their efforts to reduce the Company's balance sheet risk and liabilities, where possible, to enhance recoveries to creditors, together with managing the adjudication of claims and continued run-off of policies and bonds.
- As reported previously, the Liquidators issued two voidable notices against one of CBLI's major ceding insurers in respect of payments made in February 2018 totalling c.€25.4m. The insurer objected to the notices to set aside the transactions and the matter is now before the New Zealand High Court. We expect the matter to be heard in 2023.
- Discussions with the same major cedant to reconcile the net claims position are ongoing.
- As previously reported, the Liquidators filed a Statement of Claim against CBLI's directors and other parties on 20 December 2019. Statement of Defences have been filed by all the directors. The Liquidators' action against the directors is ongoing and the Liquidators continue to meet the requirements of the High Court for these proceedings. Given that the matter is before the High Court no further information can be provided as doing so could prejudice the proceedings.
- The investigations in respect of third parties have now completed, resulting in confidential full and final settlement agreements being entered into with CBLI's former professional advisors, which settle after the Reporting Period. Given the confidential nature of the agreements no further information can be provided.
- The Liquidators are still in active discussions with the Inland Revenue in regard to CBLI's section 113 application under the Tax Administration Act 1994 with a view to obtaining a recovery of income taxes paid prior to the liquidation.
- The Liquidators have continued with their realisation process in respect of a minority shareholding in an offshore entity. A valuation of the shareholding has been obtained and the arbitration process is ongoing.

- In addition, during the Reporting Period, the Liquidators have attended to the following:
  - Assessed and processed insurance claims (note while valid claims are being recorded they are not yet being paid);
  - Management of a number of disputed major claims, including dealing with foreign entities, multiple jurisdictions and legal systems and courts;
  - Management of CBLI's claims and finance functions. CBLI currently has two employees undertaking claims management and financial reporting functions;
  - Liaised with various parties relating to other proceedings issued against the directors of entities in the CBL Group;
  - Compliance with statutory obligations in relation to regulatory matters; and
  - Compliance with Insurance (Prudential Supervision) Act 2010 (**IPSA**) statutory requirements.

### Receipts and payments

- A summary of receipts and payments for the Reporting Period is attached as Appendix 1.

### Liquidators' remuneration

- The Liquidators' remuneration received for the Reporting Period totalled \$0.65m, exclusive of GST. All time and disbursements incurred and billed in the liquidation are reasonable and necessary.
- A detailed breakdown of the Liquidators' remuneration and disbursements for the Reporting Period is attached as Appendix 2.

### Creditors' claims

- In November 2022 the Liquidators obtained an actuarial valuation of the outstanding claims reserves for all of CBL's books of business. The valuation is being reviewed.
- The valuation further supports that CBL's reserving was significantly inadequate prior to interim liquidators being appointed by the High Court.
- There are a number of long-tail insurance products that cover exposures that could take a further six years to materialise or for CBL to come off risk.
- There are several matters currently still before the courts, in various jurisdictions, that will impact the likely return to creditors.
- As a result of the above, the Liquidators have not formally called for creditor claims. Claims that are received in the normal course of business are being reviewed and either accepted (but not paid) or declined by the Liquidators with these decisions being communicated to claimants.
- Dependent on the outcome of the number of significant claims and matters before the courts in various jurisdictions, the Liquidators will have an estimated range of potential distributions to creditors as soon as reasonably practicable.
- In the event the Liquidators consider a scheme of arrangement is in the best interests of creditors, we would expect to convene a meeting of creditors to allow creditors to consider and vote on any proposed scheme.

### Proposals for completing the liquidation

- Given the ongoing level of uncertainty remaining in respect of the outcome of a number of significant claims and contingent long-tail insurance outstanding claims liabilities, combined with legal proceedings, it is not practicable to estimate the date of the completion of the liquidation at this stage.

### Further information

- If you have any information you consider would lead to realisations for the benefit of creditors, please set it out in writing, attaching copies of all documentary evidence, and send it to the Liquidators. Please note that the Liquidators may only act on written information as telephone, or other conversations may be regarded as hearsay by the High Court.

### Contact details
